

George Hartley is high on the list of Englands most eligible bachelors: hes young, single, gorgeous - and, as the 19th Earl of Ponsford, lives in a castle. Granted, the castle has seen better days...but nights with the Earl are what LA TV producer Maxine Larraby keeps thinking about...Seattle thriller author Meg Stanton desperately needs a quiet place to work. Stag Cottage in the English countryside is perfect...until she meets local pub owner Arthur Denby. Hes as dark and brooding as one of her imaginary villains, and Meg always falls for her villains. But theres nothing imaginary about the things Arthur does to her after last call...Former head chef and current love cynic Rachel Larraby cant believe she got dragged across the pond for a catering job. Weddings - ugh, shes had enough personal experience, thanks. And though recurring best man Jack Flynt is quite smashing, she can keep it to just a steamy fling. Until this very bad bloke starts looking at her with those forever eyes.
