

Three young men meet in college and begin a company that revolutionizes the sports world. Ten years later, they're all billionaires, but they're still alone. Follow the three men through their journeys to find true love as they each find their perfect bride. Steven: When the younger sister of a woman he used to date shows up at his house with a child she claims is his, he convinces her they'd be better off living with him than simply taking child support from him. He finds himself wildly attracted to the new "nanny" and sets out to win her heart. Justin: When a relatively new employee comes to his office to talk about some trouble in the Human Resources department, Justin feels such a strong physical attraction to her, he's ready to throw all his beliefs about dating a subordinate out the window. Sarah takes one look at Justin, and knows she wants nothing more than to be his. Will they be able to get past the fact they work closely together and make the relationship work? Cody: After being rear-ended by a beautiful woman on his way home from the Super Bowl, Cody realizes he's found the only woman in the world who is just right for him. How could he possibly have fallen for the only woman in the world so independent that his billions are a liability?
