

Ganging up on Love by Amber Kell New love can bring new dangers. When Dirk volunteered to take the information to the resistance, he didn't know he'd find his perfect match in their leader. Determined to find a place among them, he offers to help wherever he can. Leon has always been alone, afraid of trusting anyone with his affection. When the visitor from Ward Three comes in with important information to bring down the mob bosses, he doesn't know how to handle their instant attraction. When outside dangers threaten to tear them apart, will their new love be enough to keep them together? Amber Kell About the Author: Amber Kell has made a career out of daydreaming. It has been a lifelong habit she practices diligently as shown by her complete lack of focus on anything not related to her fantasy world building. When she told her husband what she wanted to do with her life he told her to go have fun. During those seconds she isn't writing she remembers she has children who humor her with games of what if and let her drag them to foreign lands to gather inspiration. Her youngest confided in her that he wants to write because he longs for a website and an author name—two things apparently necessary to be a proper writer. Despite her husband's insistence she doesn't drink enough to be a true literary genius she continues to spin stories of people falling happily in love and staying that way. She is thwarted during the day by a traffic jam of cats on the stairway and a puppy who insists on walks, but she bravely perseveres.
