

The perfect combination of suspense, humor and romance. Cat Mason has perfected the formula to keep you hooked from the very first page. Harper Sloan~ NYT, USAT, and WST Bestselling Author of the Corps Security Series and the Hope Town Series. There is humor, mystery, angst and everything I have come to expect from a Cat Mason masterpiece! Every character is important! I thought I had it all figured out but in the end I was thrown for a loop! ~Cybill Richey of Wichey Richeys Booktastic Reviews. There has to be something on this Earth that holds you here, other than Gravity. Luke Hanlon was focused on anything but his own life. The happiness of everyone else came before his own. He worked hard to build Artistic Pricks Ink into the profitable business that it is today and yet, it isn't enough anymore. Something is missing. Someone. With no one to focus on, but himself, Luke is forced to take a long hard look in the mirror and doesn't like what he sees. Then he meets his mom's neighbor and something clicks into place. But can he handle what comes along with her? Can he let go of the hurt in his past and see what is in front of him? Kionna Slade is a good girl. She helps her neighbor, she doesn't go wild and crazy. She's independent and doesn't need anyone. After losing her mother and an accident stole her dream of being a Vegas Showgirl, her life took a turn in a direction she never dreamed it would. Now Sabrina runs the show at night, allowing Ki to dance again. Keeping Kionna and Sabrina separate is her main goal, until Luke. Luke Hanlon will throw a wrench in everything she ever thought. Lives are changed and things explode all around them as they are pulled together. Luke can't stay away, even if his heart and possibly both their lives could be threatened. Can Kionna and Luke find a way to hold onto each other or will they forever be grasping at what they can't have? This is a spin off series of the Shaft On Tour series. It can be read as a stand alone, but in order to get the full background story and feel everything, some may wish to read Shaft on Tour first.

Adventure Time: The Flip Side (Turtleback School & Library Binding Edition), Nadya (Wolf Chronicles), American Photo Mission to India: Portrait of a Volunteer Surgical Team in Action, The JobBank Guide To Computer & High-Tech Companies, Deadpool (1994) #4,

This is the first Artistic Pricks novel by Cat Mason. It follows the tattoo owner Luke Hanlon; if you've read Cat's Shaft on Tour series you'll know him as Hunter's.
