

A large-format board book for readers to turn over and read upside down halfway through, with a frown/smile cut through each page—the best way to fix the grumps Gertie has woken up in a HUGE grump. She sets out to tell everyone all about it. After making the cheerful sun, flowers, and fish thoroughly miserable, she feels no better. But when a happy monkey teaches her that by turning upside-down her frown turns to a smile, she makes a new friend, and instead of spreading grouchiness, she spreads joy.
