

To learn to ride a bike, a person must ride a bike. To learn to pass the PMP® Exam, a person must practice with hundreds and hundreds of sample questions. This book is the first book in our series of kindle books - PMP® Exam Preparation Simplified. Over the last 16 years Aileen has helped over 10,000 project managers in her workshops obtain their PMP® credential. Often when these project managers come into the PMP Exam Prep workshop the topic of earned value management (EVM) is overwhelming. After participants pass the PMP® Exam they often contact Aileen to share their success. Many will even say very quietly with a smile and a wink: "I think I got every Earned Value Management (EVM) Question on the exam right." Aileen's intent through the book -How to get every Earned Value Management (EVM) question right on the PMP® Exam and through the series -PMP® Exam Prep Simplified is to help every project manager not only learn to pass the PMP® Exam but also learn to manage projects better. The goal for organizations is increased project success- one PMP® at a time. The goal for individuals is to gain the knowledge and confidence to pass the PMP® Exam without wasting time and money.
