

Kochine is about to become a man. His excitement is almost too much to contain. Like many men before him, he is about to embark on his Journey. Kochine is smart and knows the lore of his people well. He intends to complete his Journey quicker than any other man. He has a plan and he intends to practice his plan. Among his people, the men are not afraid of the Whisper People, but Kochine quickly discovers that the Whisper People might be more frightening than he thought. Alone in the forest, Kochine must learn who the Whisper People are and how to survive a terrifying encounter with these shadowy people. Professor MacKay brings this story from his research to the page in this exciting little book that's perfect for kids of all ages. Read it to your younger ones and let your older kids loose to discover how Kochine becomes One Who Defeats Shadow.
