

Volumen 2 de la serie Johnnies Hace diez años David Worrall tenía planes para ir a la universidad y el potencial de un bello futuro por delante. Pero después de un trágico accidente, huye a California y se reinventa como Dex, un actor porno de Johnnies. La vida de Dex se ha convertido en un lío tremendo, pero las personas con las que trabaja solo ven en él al hombre que les hace creer que incluso las estrellas del porno pueden tener vidas normales. Cuando echan de casa a Kane, uno de sus compañeros de trabajo, lo menos que puede hacer es ofrecerle un sitio donde quedarse. Puede que Kane sea un psicópata hiperactivo y excesivamente musculoso, pero también es un buen tipo. ¿Que puede tener de malo? Pero nada es sencillo: ni el sexo, ni el amor, ni el tontorron del pene grande y el corazón aun mayor que se instala en su habitación de invitados. Cuando empiezan a hablar de pasados rotos y amigos destrozados, Dex se pregunta si la naturaleza sincera de Kane puede hacer desaparecer la tristeza que freno su prometedor futuro. Con Kane a su lado, quizás Dex vuelva a ser el muchacho que una vez fue. Y si lo consigue, podrá darle a Kane el hogar y la familia que se merece.
