

You dont have to be an evil genius to figure that superheroes are hot, and not just because of the perfect bodies clad in spandex (or leather, or stylized body armor). Film adaptations of favorite superheroes remain on the rise and comic book conventions are among the best-attended gatherings in the world. But as comic book creators and artists have been trumpeting for decades, comic books are not for kids. Although the battles of good versus evil and of archetypal iconic figures in struggle tug at our primal, childhood selves, these same primal urges lead us to exploring the erotic side of heroes--and villains. How could the stylized physiques and skin-tight costumes (think of the bodacious bosom of Wonder Woman or the Batmans codpiece) common in the milieu NOT lead to erotic thoughts and explorations? Like a Mask Removed, volume one: Erotic Tales of Superheroes presents seven stories ranging from vibrant and lively romps reminiscent of the colorful comic book pages they are inspired by modern experimental literary styles. [Warning: Explicit Sex.]

The Federalist-Anti-Federalist Debate over States Rights: A Primary Source Investigation (Great Historic Debates and Speeches), Triumph of the Ghost (Lynxar Series, Book 6), The Sack of Rome: Media + Money + Celebrity = Power = Silvio Berlusconi, Ashleys Big Surprise: Taboo Erotica, Fast, Fresh & Green, Paranormal Security Council: Vol 2, Atlas Of Oral And Maxillofacial Rehabilitation, Legal Problem Solving: Analysis, Research, and Writing (American Casebook Series), The Pacific Northwest Ballet Presents: Nutcracker,
