

27-year old news reporter and sex fanatic Jessica Fox and her uber-rich, sexy-as-fuck, 32 year old stockbroker boyfriend, Jefferson Mackerel, are enjoying a romantic afternoon on Jefferson's private yacht off the coast of Puerto Rico. Jessica and Jefferson proceed to have some hella sex and then cuddle up on deck, watching the sun set. Just as Jessica is on the verge of falling asleep in Jefferson's muscular arms, some nasty, crude, crass, dirty pirates on an old-fashioned, rickety old pirate ship that looks like it was from the 1700s suddenly pull up alongside the yacht. The pirates invade the yacht and begin to plunder all the "booty" (more specifically, Jessica's booty). After they brutally kill Jefferson, they take Jessica on board their pirate ship so she can be their sex slave. Realizing that the key to her survival is to put out, Jessica proceeds to have an epic orgy with the nasty, scurvy-ridden pirates. She especially finds herself growing enamored with the captain of the ship, Captain Crook. He's basically a Captain Hook knock-off, with a hook in place of his right hand and a wooden peg for a right leg. More importantly, he has a truly colossal 14-inch cock that resembles a rapier when he swings it back and forth. Will Jessica be able to convince Captain Crook and his nasty crew to keep her alive? Or will the perverted pirates force poor Jessica to walk the plank after they've had their way with her? You'll have to read this X-rated pirate tale to find out! This is the fourteenth erotica short story in the "I Banged" series, featuring sultry and fiery journalist-turned-sexual-deviant Jessica Fox. One day she's banging the president, the next day she's riding Santa Claus, the day after that she's getting eaten out by Big Foot. Admit it, you're mighty jealous of all the banging Jessica does. (Except, of course, when Jessica has sex with an interdimensional demon from Hell. Even she has to admit that's a bit weird.)
