Critics Consensus: The Fountain -- a movie about metaphysics, universal patterns, Biblical symbolism, and boundless love spread across one thousand years. 8 Feb - 2 min - Uploaded by It's Frankie! Spanning over one thousand years, and three parallel stories, The Fountain is a story of love. Yesterday, today, tomorrow. Past, present, future. Through time and space, one man embarks on a bold year odyssey to defeat. I adore Darren Aronofsky's The Fountain. It's one of my all-time favorite films. I get something new from it every time I watch it, and I watch it at. How bad could "The Fountain" be? I selected one review, Variety's, because it was written from the premiere at Venice and was the first word.

The Fountain movie reviews & Metacritic score: The Fountain is an odyssey about one man's eternal struggle to save the woman he loves. (Warner Bros.).
