

It had to be coincidence... Vintage-clothing-boutique owner Casey Templeton did not believe in magic potions, even though the mysterious old woman at the antique fair assured her that the perfume in the beautiful glass bottle was guaranteed to give whoever used it her hearts desire. What nonsense, Casey thought. Yet when the woman insisted she take the perfume as a gift, Casey couldnt resist using it, just once. And as soon as she did, Michel Gervais Smith came into Caseys life. The romantic Frenchman was all shed ever dreamed of, but Casey wondered if he really loved her--or if he wais under some sort of spell!
