

Jessica Anya Blau, author of *The Summer of Naked Swim Parties*, delivers another darkly hilarious, heartbreaking coming-of-age novel with *Wonder Bread Summer*. In *The Wonder Bread Summer*, loosely based on *Alice in Wonderland*, 20-year-old Allie Dodgson has adventures that rival those Alice had down the rabbit hole. Or those of Weeds™ Nancy Botwin. Allison is working at a dress shop to help pay for college. The dress shop turns out to be a front for drug dealers. And Allison ends up on the run with a Wonder Bread bag full of cocaine. With a hit man after her, Allison wants the help of her parents. But there's a problem: Her mom took off when Allison was eight; her dad moves so often Allison that she doesn't even have his phone number. Set in 1980s California, *The Wonder Bread Summer* is a wickedly funny and fresh caper that's sure to please fans of Christopher Moore, Carl Hiaasen, and Marcy Dermansky.
