

Doodle and design in this book filled with habitats from all around the world and over 100 stickers! This is a unique introduction to wild, wonderful habitats that will take readers on a journey around the globe through the wildest parts of the world and allow them to discover the creatures that live there! Add color to foliage and flowers, doodle tree frogs amongst the leaves, draw monkeys swinging between branches, and discover fascinating facts! Coloring-in as you've never seen it before" especially for all design-conscious, creative kids. Beautiful black line images inspire children to think about and experiment with design, pattern and style as they learn from professional artists. Pages studded with fascinating facts add a learning element, helping young readers to use their imaginations to increase focus, hone artistic skills, and lose themselves in gadget-free creative time.
